About 2 months ago I was in my
field. Shortly before 4-5 I
was told that my brother
the deceased, had been climbing
on the Omnibus. I went back
to the village, and on arrival I
understand that my brother
Twefey had dropped off from
the Omnibus, sustained injuries
& was conveyed to the Hospital
at once. I understood that
the Omnibus in question was driven
by Abdulla Abdul Jabbar, the
pioneer driver. I was told
that my brother fell off after
having been climbing on the Omnibus.

The poorest day my brother died
suffering from his injuries. He
had sustained 7 wounds & was buried at
Sheweech.
